We presented our second awards last term and will be presenting at the end of our final awards this term. The children who receive awards demonstrate their kind, thoughtful and caring nature to others during their time in Club.

We are extremely happy with all of the children’s continued exceptional behaviour.

We are continuing with snack at 3.30 pm. This enables children to have a healthy snack before going outside. It also allows parents to leave the playground ensuring the gates are securely locked before the children go outside. We encourage all children to have a snack by offering a variety each day. If children do not want to eat a snack, fruit is always available.

We continue to follow the schools virtues each month. This term we are concentrating showing ways of being Intentional and Prophetic. This is a great opportunity for the children to move up on our shooting stars’ reward chart. This helps towards the end of term prizes.

SEPTEMBER 2019 INTAKE

Thank you for your quick response. We still have a few spaces available, but these are filling up fast. Please ensure you complete and hand in:
- a booking form
- a registration form
- a parental agreement slip

The annual registration fee and four weeks’ payment in advance must be paid by Friday 5th July to confirm bookings. Please speak to staff if you have a query/concern regarding this.

We would like to say a big “THANK YOU” to our Year 6 children, who are wonderful role models. They are truly amazing. They are brilliant with the younger children especially Reception Class, helping them to settle into Club and supporting them when needed. They are responsible leaders, helping Mrs Khatun serve snack, Miss Walker with administration/class work (especially in Mrs Rickerby’s absence) and Mr Hinton with the activities. We will miss them when they leave. We wish them all the best in their new Secondary schools.
The children really enjoy activities outside and have been using the Reception playground to give some variation in the choices. This has been most successful. Now the weather is improving we will be using the field and having picnic snacks. I would like to remind everyone that sunhats and water bottles are required when they are taking part in activities outside, so please ensure your child brings these into Club. Sun cream should also be applied before school as staff are unable to apply this. Trainers are also acceptable for after school activities. Please send these in a named bag.

Please ensure you update us on your child’s medical conditions. If prescribed medication is to be administered during the school day, please complete the relevant medication form. Prescribed medication cannot be given without it. If your child requires an inhaler, please have a spare inhaler in Club, so that it is accessible if needed. This should not be the same inhaler used in school.

The four iPads purchased for Club with our fund raising activities are being used well. The children have access most mornings and evenings. They are encouraged to use Doodle Maths and Literacy activities. This enables the children to continue their learning alongside the school curriculum. We also encourage children to complete homework if necessary.

We hope you all have a lovely holiday and we look forward to seeing you and our new families on Tuesday 3rd September 2019.

Mrs J Rickerby
Club Manager

Miss H Walker
Deputy Manager

Mrs A Khatun
Senior Playworker

Mr S Hinton
Senior Playworker
