

Singers Hill Synagogue

On **Thursday 28th November 2019** Year 4 visited and toured Singers Hill Synagogue in Birmingham. Linked to their learning, the tour brought to life the features and artefacts that are found within Jewish places of worship. It was a fantastic opportunity to learn about the rituals and prayers that are a part of the Jewish faith. The need to explore other faiths is directly linked with our beliefs of tolerance and our school mission of welcoming everyone into our community.
