

Annual Attendance Certificate Winners

During 2018-19 there has been a notable increase in the amount of pupils attending school every day with attendance records of 100%.

71 pupils were awarded Attendance Certificates on Friday 19th July 2019 for brilliant attendance during the school year 2018/19, compared with 63 pupils in 2017-18, which is an increase of 8 pupils.

34 very proud children were awarded awards for 100% attendance, which is an increase of 5 pupils from last year; whilst another **37** children received a 99+% attendance award for only one absence, again an increase of 3 pupils from 2017-18.

Many congratulations to these children (and their parents) for ensuring that they attended school every single day.
