

Vocations:

Who is God calling you to be?

On **Thursday 4th July 2019**, Year 6 took part in a Vocations Workshop led by the vicar from St Faith and St Laurence, Reverend Canon Priscilla White. She discussed her vocation with the children and also focused on the children's faith journey especially as they move on to Secondary school.

During the workshop, Year 6 heard all about the faith journey of Reverend White and how she was finally able to become a vicar (due to being female) when the law was changed in 1992. She shared her journey with the children about how she felt when she heard her call from God, but being unable to fulfil it, as women were not allowed to become vicars within the Church of England and so she spent 5 years as a Deacon. Reverend White said she had a feeling deep inside about her calling to serve within the church which never went away which is why she persevered on her journey.

After this, the children were able to ask Reverend White deep and thought-provoking questions relating to their faith and hers, questions that we sometime find difficult to answer due to the mystery of our faith.
