Arrival and Collection of Children Policy

Arrival

In the morning, parents drop off their children via the Winchfield Drive entrance; the automatic gate will open at 7.40 am, BASC opens at 7:45am. Staff take children to their classrooms in the morning. After school, children are collected from their classrooms and brought to the club each day. Parents must inform the club and school, in advance, if their child will not be attending a booked session.

Collection

All children must be collected from the club door (via Winchfield Drive playground gate) by **5.45pm** at the latest. The time will be as measured on the club entrance clock. **Late collection will be charged at £1 per minute per child.** Regular late collection (defined as three times) will lead to the child's place being withdrawn.

Parents must give the names of all persons authorised to collect their child on the registration form. Only persons named on this form will be able to take the child from the club unless prior arrangements in exceptional circumstances have been made known to the Deputy Club Manager.

It is the responsibility of the parent / guardian to ensure that any changes to the named individuals who can collect their child are communicated to the Deputy Club Manager both in writing and verbally.

The person collecting a child must approach a club worker so that club workers know who is being collected, and by whom, and can sign the child out.

In the case of a parent/carer failing to collect the child, the Deputy Manager will call the emergency contacts given to come to the Club to take the child home. If the club staff are unable to contact any of the emergency numbers, they will contact CASS- Birmingham Children's Advice and Support Service for further advice.

If a parent/carer arrives in an "unfit" state, the club staff will contact the police and/or Children's Services Duty Officer immediately. The safety of the children is always our first priority.

Behaviour and Anti-Bullying

Staff act as role models and encourage considerate attitudes from all children. They praise the children and give positive encouragement wherever possible. Unacceptable behaviour is always responded to, in private, in an appropriate way, taking full account of the child's level of understanding. We do not tolerate bullying, intimidation or rudeness. Children are encouraged to resolve conflicts by discussion. However, they should always tell staff if they are hurt or upset. Parents are informed of serious concerns. Persistent unacceptable behaviour will lead to the child's place being withdrawn.

Health and Safety

The Club promotes the good health of both children and staff by ensuring the highest standards of premises, equipment maintenance and staff awareness in safety matters. There will always be at least one member of staff holding a current First Aid certificate on the premises.

The Club has a first aid box, which is kept out of the reach of children. It is the responsibility of a nominated, qualified first aider within the Club to maintain the contents of the first aid box.

Parents are required to give written consent to Club staff to be able to authorise medical care being given by doctors in an emergency. This will only occur where waiting for parental consent be considered by the doctors to endanger the child's health and safety. This permission is given as a part of the parent's contract signed when a child first registers with the Club.

Staff should be aware of any child's special health conditions. Club staff will administer prescription medicine only to children in accordance with school procedures if written instructions and consent are given by parents. Parents will also be expected to discuss the child's illness and needs with Club staff prior to any medication being administered.

If a child becomes unwell whilst at the club, parents will be contacted to come and collect the child. All incidents and accidents will be recorded.

Healthy Eating Policy

It is our aim to foster and encourage an interest in healthy eating amongst the children by involving them in helping to prepare and serve a daily healthy snack. A varied menu will be offered, ensuring high nutritional standards and low sugar and fat content. 'Treats' may be included from time to time. Children are encouraged but not forced to eat. Fresh drinking water and fruit is also readily available to the children. Parents should ensure staff are aware of any special dietary requirements. Staff preparing food have a current Food Hygiene Certificate.

Complaints

Any parent wishing to make a complaint should follow the complaints procedure:

1. Speak to the Deputy Club Manager to try to resolve the issue.
2. If unresolved, speak to the Senior Office Manager or Principal.
3. If still unresolved, write to the Chair of Local Governing Body Committee, c/o school address.

Staff Protection

We believe that our staff have a right to work in a safe environment free from verbal or physical abuse. We work to create and promote good relationships between staff and children and parents. Verbal aggression or unreasonably demanding behaviour towards staff by parents is not acceptable and is likely to lead to withdrawal of a child's place. Threats of violence will always be reported to the police. All policies are available from the club and school on written request.
