Dear loving Mrs Harlow and the children of Our Lady of Fatima School,

Prayerful Wishes from House of Providence, Kunnamthanam, Kerala!

First of all we would like to convey the prayers and gratefulness of our little ones to all you dear friends of 'Mini Winnies'. May the good Lord reward you in hundred folds for the love and concern you have for these little ones. Dear Little Friends in Jesus, who follow the footsteps of St. Vincent De' Paul, we are sure that your activities of mercy will be very pleasing to God. Today, the world needs children like you. We gratefully remember all those who prepare you in this venture.

House of Providence at Kunnamthanam, the Mother House LSDP Congregation and currently almost 275 people live here depending totally in the Divine Providence. We protect those who are physically and mentally challenged till their death. Our daily needs are met through people with good will like you. At present we have almost 1000 residents protected in our 16 houses. We won't hire anyone for anything; all the works are carried out by our own sisters.

We thank Almighty for making the children of Our Lady of Fathima Catholic Primary School, a channel of Divine Providence. Mrs & Mr. Jophin have entrusted us the amount (£ 300) that you have collected. We thank them too.

We hope that you might have come to know the situation in Kerala. Lakhs of people are affected by the flood. Lakhs are in relief camps. Most of them lost their houses, land, agriculture, business etc. Please remember them in your prayers.

We can try our best to be a supporting hand to the needy like St. Vincent De Paul. May God bless each member of 'Mini Winnies' to be like that. Please remember us and our humble service in your prayers. Once again we wish you God's Blessings. Thanking You

Yours in Jesus
