<p>Creative Writing</p> <p>Story starter</p>  <p>It had been many years since the shrill shriek of a steam train puffing along the the track had been heard in these parts.</p> <p>The Northern Railroad had been discontinued after the great disaster on June 11th, 1911. Ever since that day, the Railroad company had been nothing but a distant memory, a story to be told around the campfire late into the night.</p> <p>As the group sat around their newly constructed camp, listening to the crackle of the flames as they licked up into the night, their minds wandered back to the stories they had heard from their fathers. So absorbed were they in the moment, and the mesmerizing glow of the fire, that it was hard to tell if the shrill shriek coming from the distance was part of their imaginations...</p> <p>Use the story starter to continue the story!</p>	<p>Shape and Symmetry Complete some of the online lessons for Measures https://www.thenational.academy/online-classroom/year-4/maths#subjects Lesson 6 Lesson 7 Lesson 8 Lesson 9 Lesson 10</p>	<p>Windrush and Empire</p> <p>During this lesson, children will become aware of the discrimination that black people faced as they arrived in Britain on the Empire Windrush in 1948.</p> <p>It also provides opportunities for pupils to explore important historical events and discuss issues relating to current affairs involving discrimination.</p> <p>Once you've explored what the Empire Windrush was and the reaction passengers received when they arrived, complete the lesson by writing a diary entry.</p> <p>The lesson plan and all accompanying resources are included in this download.</p> <p>Use these resources to help children understand the discrimination that black people faced as they arrived in Britain on the Empire Windrush in 1948</p> <p>You will have to create a free account and verify the account before being able to download the resources.</p> <p>https://www.teachwire.net/teaching-resources/empire-windrush#login-box24</p>
