

## Year 2 Core subjects home learning tasks 29.6.2020

English	Maths	<i>RE This week's work is based on sharing feelings through talk and small activities as part of a way to reassure everybody during this unusual period.</i>
<p><u>Monday: Book scavenger hunt:</u> complete the scavenger hunt below. Now write your own book scavenger hunt. Upload it to the <i>Class 2 blog on Purple Mash</i> and we can all have a go at completing each other's scavenger hunt. If you need reminding about how to upload to the blog please use the email address <a href="mailto:yr2@olfatima.bham.sch.uk">yr2@olfatima.bham.sch.uk</a> and I will send over instructions. Happy hunting!</p>	<p>Fractions: This is revision. Fractions game set on 2do. Choose 4 even numbers find half of each number. Prove it is correct. Ask the adult working with you to choose 4 different even numbers. Check they have worked out what half of each of these numbers is correctly.</p>	<p><u>Caring for one another:</u> Help each other be worry wise. We all have worries at one time or another in life. Worry can be "worth it worry"→ this leads to positive action or "worthless worry"→ provides nothing but hindrance. Make a happy box/ container to deposit your worries/concerns into. When you have deposited your worry/concern, do an activity you really enjoy. Perhaps others in your family would like to deposit concerns /worries into your container. Don't forget to brighten up the containers with decorations. You might colour or stick on decorations. At the end of each day pop in a happy thought into the container. What little thing made you laugh today? Add that in too. <i>Bible link: When did somebody in the Bible do a kind act /say kind words to make somebody else happy?</i></p>
<p><u>Tuesday: Coastal holidays comprehension.</u> See below. There are differentiated activities in each section, challenge yourself to do them all (Note to parents, the challenge answers are at the very end. Ignore all the codes in brackets. Your child might be able to do all of the activities independently or they might need differing levels of support. Use your discretion).</p>	<p>Multiplication assessment: Complete the 2do set. Count in sets of 2,3, 4,5, 6, 8 and 10 starting from different numbers up to 50. Draw simple pictures or get out small objects and group them, if that helps. Each day write your 2, 5 or 10 times tables out so you know them fluently by the end of term. If you do know them already work on 3,4,6 and 8 times tables.</p>	<p>Mates matter! <i>It takes on to know one: Good friends deserve good friends.</i> Who are you a good friend to? Are they a good friend to you? Remember friendship is a two way street. Friendship is about being flexible, never about doing one thing. We all need to be flexible. Is it tricky to be flexible sometimes? <i>Bible link: Which people from Bible stories were not good friends to Jesus? How do you think that made Jesus feel?</i></p>
<p><u>Wednesday:</u> Use the 2do set in Purple Mash to retell a traditional tale, choose one. I can't wait to read the stories.</p>	<p>Warm up: 2do: a fish-metic. Set your level. Have a go at each level and see how you get on Number bonds to 10. Play I say, you say" e.g. I say 3 you say 7 etc. If you can do this to 10 you can do this→ Repeat this for number bonds to 100 starting with a multiple of 10 (10, 20,30, 40, etc)</p>	<p>Safety: We all need to keep safe. At home you will have rules to keep everyone safe. At school we have rules to keep everyone safe. Make a poster of rules that you think we could display in school so everybody is safe. (Remember our story, Have you filled a bucket today?) Some people might have forgotten some of the school rules, check you include as many as you can</p>

	<p>Advanced: adult to pick any number up to 100 e.g.47. How quickly can you work out the partner to make it to 100?</p> <p>Take turns, you be the teacher then swap over.</p>	<p>to help everyone when we all return to school together again. You could send your poster to the class blog, it might help others to remember some of the rules.</p> <p><i>Bible link:</i> talk about a time when somebody in the Bible needed help, who helped them, what did they do to help?</p>
<p><u>Thursday: Use your senses</u></p> <p>Complete the 2do activity set.</p> <p>Now with an adult, go outside. What can you see, hear, smell, taste and touch there? Write about it.</p>	<p>Warm up: Target number game set in 2do</p> <p>Bar models. Choose a number up to 100.</p> <p>Write 3 different addition sums to make your chosen total. Draw a bar model to present these sums. What subtraction sums can you derive from the addition sums?</p>	<p>Develop fruity thinking: fruit is good for physical health, fruity thinking is good for mental health! Think of things you have enjoyed about <i>lockdown</i>. Are there any things you have not enjoyed, write them down in 2 separate lists. Now make another list of things you are looking forward to about rerunning to school (as soon as we can). Put those thoughts in order, which is the most important to you? You might like to write this list on small pictures of fruit that you could draw, then pile them up into a fruit bowl. I bet that fruit bowl looks colourful. Post a picture of it on our Class 2 blog for us to all share.</p> <p>Bible link: read the story of Noah's ark. Look at the picture of the rainbow at the end. The rainbow represents promises and hope. How many rainbows can you spot in your local area? Have you any rainbows in the window of your home?</p>
<p>Friday: Complete the 2do about an angry sea story.</p>	<p>Addition and subtraction games in 2do.</p> <p>Look at other games in the number section on Purple Mash, challenge yourself to play 3 of them.</p>	<p>Positivity: Have a look/go outside, spot 10 beautiful items in nature. Write a short prayer thanking God for this natural beauty around us.</p>

## Sports Day Activity

Register at the following website to take part in some sports day challenges. We will be focusing this on our school website each week and on here too! Get active and have fun!! [www.sgochallenge.com](http://www.sgochallenge.com).

## School PTA

Our Lady of Fatima Catholic Primary School is now registered with easyfundraising, which means you can raise FREE donations for us every time you shop online.

Over 4,000 shops and sites will donate to us when you use easyfundraising to shop with them – at no extra cost to yourself!

Parents can help the school and the children, even at a distance, with no cost to themselves; help the school community through this difficult time and ensure that we can provide some great resources/activities/enrichment for the children to make their time at school memorable. These donations really mount up and make a big difference to us, so we'd really appreciate it if you could take a moment to sign up and support us.

It's completely free and only takes a moment. Just click the banner below or visit <https://www.easyfundraising.org.uk>:
