

Core subjects home learning tasks

English	Maths	RE
<p>Spelling Practice Year 5/6 spelling words – e.g. write in a sentence, use in other Literacy tasks <i>Doodle Spelling online every Wednesday</i></p> <p>Handwriting Use handwriting skills in all writing tasks.</p>	<p>Mental Maths work Doodle Maths – uploaded every Friday Purple Mash activities</p>	<p>Pentecost Research the lives of a variety of saints and the ways in which they responded to the call of Christ to follow him. How did they use the Gifts of the Holy Spirit in their service of Christ?</p>
<p>Continue your own daily diary Think about the layout, use of punctuation, a range of description, informal language, written in the first person.</p>	<p>Maths activity</p> <p>Four 4s investigation Your challenge today is to use four 4s to make the numbers 1 to 20. Every question has to use all four 4s but can use any operation (x, ÷, + or -) You may need to think about the order of operations to complete this task. BIDMAS/BODMAS Brackets Indices/operations (², ³) Division Multiplication Addition Subtraction An example to start you off could be: $(4 \div 4) \times 4 + 4 = 8$ Can you find the rest of the numbers 1-20?</p>	<p>Write a short biography about the life of the saint you have chosen and indicate in the account the presence of the different Gifts of the Holy Spirit in the life of this saint.</p>
<p>Invent 2 new characters for a book. You might want to make a hero and a villain. Create two pages of a comic book involving your two characters. Think about what they will be saying to each other in the speech bubbles. Use action speech to make actions clear: POW, BAM, BOOM Illustrate clearly and make your colours eye-catching.</p>	<p>Classroom Secrets - https://classroomsecrets.co.uk/free-homelearning-packs/ You will be able to download more home learning resources under Year 6 Maths. These are a great way to challenge your children on topics already taught and new topics too Oak National Academy https://www.thenational.academy/online-classroom/year-6/#subjects offer core and foundation subjects</p>	<p>St Paul teaches in the Letter to the Galatians that the Spirit yields a harvest in the life of the person who has received it. Explore things growing in creation which can produce fruits. What is needed to facilitate their growth? Read <i>Galatians 5: 22-23</i>. Identify the names of the Nine Fruits of the Holy Spirit. Why are these Fruits of the Holy Spirit are so important? What would life be like if these Fruits of the Holy Spirit were not evident in the lives of people?</p>
<p>Reading See Purple Mash – Serial mash stories in task list added every Monday alongside Doodle Read some poetry by Michael Rosen</p>	<p>Choose something to investigate and present your findings in an interesting way. You could investigate anything that links to maths but here are a few possible examples to find out if they are true or false:</p> <ul style="list-style-type: none"> Adults are faster walkers than children 	<p>Choose a person (this can be someone you know personally or a celebrity) Explore different ways in which the Fruits of the Holy Spirit are manifested in their present lives.</p>

<https://www.michaelrosen.co.uk/>

Choose a subject to write about. This could be something you can see out of your window or something you enjoy.

You might write about a tree, a football, your pet or anything else you choose!

Create a poem or a rap about your chosen subject.

- It must have some rhyme in it
- It must use adjectives to describe
- It must use repetition

An example of the start to a poem

*The fierce wind cause the branches to blow,
Gnarled branches swaying to and fro.*

*The towering tree reaches up to the sky,
Scurrying creatures climb until they are oh so high!*

- The tallest people have the biggest stride
 - The area of my house is bigger than 10m²
 - The number of black cars which pass my house is higher than any other colour
 - The longest shows are on television before midday
 - The temperature is always higher at 10am than 7pm
 - The longest blades of grass are always at the edge of the garden/field
 - The largest countries have the biggest populations
- These are only ideas and you could choose something you are interested in to investigate.

EGPS

Using this week's spelling words, write a short retell about an activity you have done this week. Underline the spelling words in your recount in a coloured crayon

Creative

Create an illusion photo. Either make it look like you are climbing a high wall (put your cycle helmet on as a prop), or use chalk (or place items on the ground side-on) to make it look like you are doing something super daring and brave.

Make sure the ground isn't too hot when you lie down for the picture!

Creative

Make a raft so that a toy can float in the bath or kitchen sink without getting wet.

Sports Day Activity

Register at the following website to take part in some sports day challenges. We will be focusing this on our school website each week and on here too! Get active and have fun!! www.sgochallenge.com.

Useful websites and activities to aid you children's timetable through the day

- This site has a free parents section, where you can play games for both phonics and maths. There are also worksheets that you can download to print, if you have a printer. Within the site there are videos about how to say each letter sound and how to teach them to your children. <https://home.oxfordowl.co.uk/>
- The following site has a live reading <https://learnliveuk.com/learn-live-read-channel/>
- At school, we listen to many stories using this website. <https://www.storylineonline.net/>
- This site lets you search for educational games <https://www.topmarks.co.uk/>
- Free resources on Twinkl: <https://www.twinkl.co.uk/home-learning-hub>
- Daily Prayer: <https://www.loyolapress.com/our-catholic-faith/prayer>

Here's what various celebrities are offering you and your children for free daily to help with their education while schools are closed:

9.00am: PE with Joe Wicks https://youtu.be/6v-a_dpwhro

10.00am: Maths with Carol Vorderman www.themathsfactor.com

11.00am: English with David Walliams <https://www.worldofdavidwalliams.com/elevenses>

12.00pm: Lunch (cooking with kids: Jamie Oliver) <https://www.youtube.com/playlist?list=PLcpoB2VESJme7lSxXEcXyVtFPsMI78lcL>

The government have released daily lessons which can be found on the following websites:
