

September 2026

Dear Parents/Carers

We are delighted to share with you the recently published Ofsted inspection report for our Lady of Fatima Catholic Primary School following their inspection in July 2026. This inspection was a Section 5 graded inspection under the new Ofsted inspection framework. We are delighted that Attendance and behaviour, Inclusion and Personal development and wellbeing were graded as Strong standard and Achievement, Curriculum and teaching, Early years and Leadership and governance as Expected standard.

When you read this report, you will be struck by the many positive findings from the inspection such as 'Inclusion is a strength of the school. Leaders have established a strong culture of inclusion'; 'The wellbeing of pupils is given the highest priority.'; 'The pastoral offer in school is highly effective.'

We are working closely with the Local Governing Body, Suzanne Horan, as Chief Executive Officer, the school leadership team and all the staff, to ensure that the areas of improvement identified in the report are addressed as quickly as possible and the school will keep you updated with its progress. This is a leadership and staff not only with great ambition, but who also care deeply about the Our Lady of Fatima community and 'hold pupils' interests at the heart of everything they do'. I am sure that you will join us in thanking them and congratulating them on this wonderful achievement.

Thank you for your continued support and commitment to our school community.

Yours sincerely

J Griffin

Chair of the Board
